Our offices are located in Wyndham House behind the Salisbury and South Wiltshire Museum at King's House. During the opening hours of the museum (10am – 5pm) pedestrian access is through the museum. Tell staff at the reception desk that you want to visit Indigo at Wyndham House and they will direct you through the museum.

Vehicular access is off the Cathedral Close via a gated driveway on the right opposite the west front of the Cathedral. It is signposted "Sarum St. Michael private". However; there is no visitors' parking at the offices unless arranged prior to your visit.

The nearest public car park is in the close next to Harnham Gate (whole day parking only). Alternative short stay parking can be found at Lush House car park or in the Old George Mall.

Railways and bus station are approximately 15 minutes walk from the office.
